

ASC CLEAN AIR

Compact and efficient
street sweeper

Cleanair 5.0 is the compact and efficient street sweeper provided with a powerful suction system. Harmonious and ergonomic, thanks to its extraordinary performances, compact dimensions and the high manoeuvrability is agile and quick in city traffic and in more demanding working situations.

Safe and smart, Cleanair 5.0 is the machine that, thanks to the combined action of the front sweeping unit and the powerful suction system, works with precision and agility combining its collection system with a top level loading capacity.

THE SILENT AND COMPACT STREET SWEEPER
